The BERSERK OFFICIAL GUIDEBOOK is an oddball mash-up of repetitive encyclopedic facts about the long-running Berserk manga series (e.g. a long-winded recap of how magic works in the universe, exhaustive character summary/"stat" sheets, and a general recap of the entire series' plot), genuinely interesting series-related tidbits for super-nerds (including an in-depth interview with Kentaro Miura, shots of his workspace, and character reference sheets), and filler/fluff pieces (like a summary of a

The first Berserk novel, conceived by series creator Kentaro Miura and written by Makoto Fukami, novelist and screenwriter for the Berserk anime, Psycho-Pass and Resident Evil: Vendetta. The Flame Dragon Knight also presents ten full-page illustrations by Kentaro Miura. The Flame Dragon Knight traces the rise of the warhammer-wielding warrior Grunbeld from humble beginnings to become the all-powerful Apostle who will one day face Guts in mortal combat! Featuring all the grisly supernatural action and sinister courtly intrigue Berserk readers have come to expect.

Deep within the nightmare realm of Casca's dreams, Schierke and Farnese battle endless horrors to reach the dark secret that has imprisoned Casca's mind for so long. But the dreamworld dangers are no mere phantasms of the unconscious--they are a lethal reality to the intruders from the material world! From creator Kentaro Miura comes the latest chapter of Berserk, a sprawling adult fantasy epic of horror, humor, and fierce imagination and the inspiration for the wildly popular anime series.

Created by Kentaro Miura, Berserk is manga mayhem to the extreme - violent, horrifying, and mercilessly funny - and the wellspring for the internationally popular anime series. Not for the squeamish or the easily offended, Berserk asks for no quarter - and offers none! His name is Guts, the Black Swordsman, a feared warrior spoken of only in whispers. Bearer of a gigantic sword, an iron hand, and the scars of countless battles and tortures, his flesh is also indelibly marked with The Brand, an unholy symbol that draws the forces of darkness to him and dooms him as their sacrifice. But Guts won't take his fate lying down; he'll cut a crimson swath of carnage through the ranks of the damned - and anyone else foolish enough to oppose him! Accompanied by Puck the Elf, more an annoyance than a companion, Guts relentlessly follows a dark, bloodstained path that leads only to death...or vengeance.

From his days as a young mercenary to his time as captain of the Hawks’ Raiders, Guts’s life has been defined by his ability to fight and his will to win. Now cursed with the Brand of Sacrifice – a sigil that will forever mark him as prey for the damned – and with his companions dead, his lover’s mind destroyed and his one-time commander and friend reborn as a malevolent demon lord, it seems that more than ever Guts must rely upon his instinct to survive. But Hell has many faces, and when what appears to be an innocent country village proves to be a den of tragic secrets, the horror of a fairy tale perverted by pain and hate may prove to be more than Guts can handle!

Guts, the Black Swordsman, goes from the frying pan to the fire as he must enter the mating chamber in the horrifying lair of trolls to rescue his love, Casca, and the Lady Farnese from the loathsome attentions of the hideous beasts. But while even an army of trolls cannot stand against Guts's boundless fury, the mightiest of warriors is no match for a demon lord. And so when Slan of the Godhand manifests from the entrails of slain trolls and takes Guts into her deadly embrace, Guts discovers he may not only be fighting for his life, but for his very soul!

This is a study of the epic fantasy comic Berserk by Kentaro Miura, one of the greatest works of art in print form of any era. Berserk is a best-selling fantasy adventure manga in Japan and overseas.
