Boogie Monster is a great follow up to Tickle Monster. The pictures are vibrant, the story is cute and fun, and I love the rhyming flow of the book. Great addition to our book collection and my son asks for it just about every night.

Boogie Monster: Josie Bissett, Kevan Atteberry...

The Bogeyman (/ ˈ b ʔ ʔ i m æ n, ʔ b o ʔ ʔ i -/; also spelled boogeyman, bogyman, bogieman, boogie monster, boogie man, or boogie woogie) is a type of mythical creature used by adults to frighten children into good behavior. Bogeymen have no specific appearance, and conceptions vary drastically by household and culture, but they are most commonly depicted as masculine or androgynous ...

This cute story will make kids want to get up and move and groove along with the Boogie Monster. In this story, the Boogie Monster is not a scary, mean monster, but a nice, fun, dancing monster! The story teaches kids that there is no wrong way to dance and that it can be fun no matter what kind of dance moves you do.

Boogie Monster by Josie Bissett – Goodreads

The Boogiemonsters are an American rap group formed when New Yorkers Vex and Mondo met Jamaica-born brothers Yodared and Myntric at Virginia State University. Boogiemonsters began rapping at shows around campus and, after winning first place at Howard University's famous Hip-Hop Conventi... read more

Laurie Berkner, “the queen of children’s music” (People), pairs the lyrics of her infectious hit song with Ben Clanton’s whimsical illustrations in this groovy and adorable picture book—a must-have for fans of Laurie, dancing, and all things monstrous! I’m the biggest monster that you’ve ever seen! My eyes are purple and my teeth are green. I’m big and I’m scary, you know what I mean? And this is what I like to do. ... Boogie away those bedtime fears and embrace your inner monster with Monster Boogie, based on Laurie Berkner’s irresistibly fun song and featuring lively, playful artwork by Ben Clanton! I do the monster boogie. So can you! Rraaaahhh!

Here’s everything a child needs to fully enjoy the fun and creativity of the Boogie Monster story, music, and dance experience. Josie Bissett’s inspiring new book comes with furry Boogie Legs (plush leggings that are one size fits most kids) and an original CD of rollicking dance tunes by Recess Monkey. Kids read the book aloud with their parents, and then transform themselves into Boogie Monster by simply donning their Boogie Legs, following the story and dancing to the music. Everything comes in a colorful re-useable gift folio with magnetic closure a wonderful gift for parents, grandparents and children (ages 3-9).

The tickle monster flies in from Planet Tickle to share his talents, moving from one part of the body to another.

The Boogie Monster Story is what most of us heard as children. Things that would happen to us if we did not act right or do what we were supposed to do. Keep your feet in the bed, do not try to get out, because Boogie Monster is under your bed. It was known that fear would overcome us, and we would obey our parents as well as whoever else just wanted to scare us. In this book, we will see that if we decide to overcome the Boogie Monster, we must approach him and see what he really is. Most of the time, he is something that was built up into an ugly, smelly, and mean monster by the words of people who never got rid of their own fear. Here we are able to see how one can change many things in one's life by seeing what really is before believing what really isn't. Positive encouragement from friends or family can always help us conquer whatever is brought before us, but negative words can hurt us quickly, causing us to fear what is before us. The Boogie Monster Story will help us conquer the different issues that may come before us throughout our lives, both as children and adults. This is only the beginning of Boogie; there are many issues in life that we must overcome by seeing where Boogie comes from and what Boogie really is. Let's open this book and face our Boogie Monster.

Benny is afraid of the dark. But most of all Benny is afraid of the Boogie Monster! One night after his mummy tucks him into bed, Benny stumbles into a mysterious land where he comes face to face with his greatest fear - the Boogie Monster! However, when the Boogie Monster begins tapping his feet to the sound of music, Benny realises perhaps things are not as scary as they seem.

From New York Times bestseller and Pulitzer Prize winner Junot Diaz comes a debut picture book about the magic of memory and the infinite power of the imagination. A 2019 Pura Belpré Honor Book for Illustration Every kid in Lola's school was from somewhere else. Hers was a school of faraway places. So when Lola's teacher asks the students to draw a picture of where their families immigrated from, all the kids are excited. Except Lola. She can't remember The Island—she left when she was just a baby. But with the help of her family and friends, and their memories—joyous, fantastical, heartbreaking, and frightening—Lola's imagination takes her on an extraordinary journey back to The Island. As she draws closer to the heart of her family's story, Lola comes to understand the truth of her abuela's words: “Just because you don't remember a place doesn't mean it's not in you.” Gloriously illustrated and lyrically written, Islandborn is a celebration of creativity, diversity, and our imagination's boundless ability to connect us—to our families, to our past and to ourselves.

Frank was a monster who wanted to dance. So he put on his hat, and his shoes made in France... and opened a jar and put ants in his pants! So begins this monstrously funny, deliciously disgusting, horrifyingly hilarious story of a monster who follows his dream. Keith Graves' wacky illustrations and laugh-out-loud text will tickle the funny bone and leave readers clamoring for an encore.

Arriving from outer space, a boogie monster inspires people throughout the world to dance.

From Number One bestselling author David Walliams comes a hilarious and heartwarming picture book, brilliantly illustrated by the artistic genius, Tony Ross. Up at the North Pole, a big furry polar bear is swimming, fishing and eating. But when she nods off and finds herself far from home, she thinks things can't get any worse. But they can ... Much worse! An outrageously funny picture book with an incredibly heartwarming message about celebrating difference - in all its forms.
