 Celtic From The West Alternative
 This Celtic Atlantic Bronze Age theory represents a major departure from the long-established, but increasingly problematical scenario in which the story of the Ancient Celtic languages and that of peoples called Keltoi Celts are closely bound up with the archaeology of the Hallstatt and La Tène cultures of Iron Age west-central Europe. The Celtic from the West proposal was first presented in Barry Cunliffe's Facing the Ocean (2001) and has subsequently found resonance amongst geneticists.
