Amazing kid's chapter books series to re-read and love ...

A chapter book is a typically a fiction book written for children who are ready to transition from picture books to more text based books. Many early reader chapter books still include simple illustrations - though the pictures are generally less important to the story than they are in a picture book. What age are chapter books for? While there is no hard and fast rule, children generally make the transition to chapter books somewhere between the ages of seven to ten years.
