~~Via Afrika Computer Applications Technology Grade 10 ...~~
Computer Applications Technology. The reason for this is because, for me, it loses its lustre when a subject – the cornerstone of many a career and the source of skills desperately needed for today ' s digital age – is reduced to a three-letter acronym and spoken of as if it were a second-rate, hand-me-down, last place, filler, “ soft ” option subject...instead of it being recognised as ...
