Pathans in India are citizens or residents of India who are of ethnic Pashtun ancestry. "Pathan" is the local Hindi - Urdu term for an individual who belongs to the Pashtun ethnic group, or descends from it. The term additionally finds mention among Western sources, mainly in the colonial-era literature of British India.

History and Cultural Relations The origin of the Pathan is debated. Linguistic evidence indicates Indo-European ancestry, while some tribal genealogies claim Semitic links. The regions of Afghanistan, eastern Iran, and western India have been some of the most heavily invaded in history and so the Pathan of today are probably a heterogeneous group.
