An attractive gift book of 100 joyful meditations on the nature of heaven, our hearts' true home. We all think about heaven--or at least we wonder what will happen to us after we die. For the Christian, these should be comforting, exciting thoughts. In this beautiful devotional gift book, Joni Eareckson Tada has chosen short excerpts from her book, *Heaven*, and arranged them around common topics such as: Where is heaven and what is it like? What will we do in heaven? Each inspiring and faith-filled meditation is paired with a verse of scripture and a heart-felt prayer.

It is available in over 30 different languages. New 16-page photo section.

This is the true love story of Joni and her husband of 30 years, Ken Tada. A love story showing what it truly means for a man and a woman to live in love ... in sickness and in health. Even the honeymoon wasn't easy. Did Ken realize what he was getting into when he proposed to Joni, a quadriplegic woman? As their marriage years moved on, Ken became increasingly overwhelmed by the never-ceasing demands of caring for Joni, who begins to experience chronic, extreme, nightmarish pain. Ken sinks into depression, and the couple finds themselves on parallel tracks in life, married and living under the same roof but drifting apart emotionally. But as they fight for their marriage and find their way through the mazes of depression and pain, they wrap their two lives around their rock—Jesus. During Ken's denial of Joni's diagnosis, and Joni's thoughts of how wonderful a quick exit to heaven would be, they experience a personal visitation with the savior you will never forget.

Joni Eareckson Tada's story is not just about a tragic accident. It is about how God's power transforms lives. Joni's work today with thousands of disabled people is a miracle in itself.

In this eloquent account of her current struggle with physical pain, Joni Eareckson Tada offers her perspective on divine healing, God's purposes, and what it means to live with joy. Over four decades ago, a

diving accident left Joni a quadriplegic. Today, she faces a new battle: unrelenting pain. The ongoing urgency of this season in her life has caused Joni to return to foundational questions about suffering and God's will. *A Place of Healing* is not an ivory-tower treatise on suffering. It's an intimate look into the life of a mature woman of God. Whether readers are enduring physical pain, financial loss, or relational grief, Joni invites them to process their suffering with her. Together, they will navigate the distance between God's magnificent yes and heartbreaking no—and find new hope for thriving in-between.

Discover Peace, Perspective, and Healing. From a human perspective, God often appears to be an intruder. He presumes, invades, and infringes upon our lives. At times, God encroaches with gentle, subtle reminders – at others, with sudden, devastating judgement. God is not tucked away in some far corner of the universe, uncaring, unfeeling, unthinking...uninvolved. You can count on it – He is intimately involved with the tiniest details of your existence. Learn how His constant presence can bring peace, perspective, and healing into the puzzling and chaotic circumstances of your life.

Do you ever wonder why God created you? The Bible spells it out plainly: God created you to showcase His glory—to enjoy it, display it, and demonstrate it every day to all those you encounter. After nearly 50 years of living as a quadriplegic, and dealing with chronic pain on a daily basis, Joni has learned firsthand the importance of glorifying God through the toughest of situations. Through this devotional, Joni will help you discover how to put God's glory on display—how to say no to complaining and say yes to daily following God down even the most difficult paths. Along the way, you will find great comfort and encouragement by focusing on the one who longs to lead and guide you every step of the way, every day. Don't ever think your life is too ordinary, your world too small, or your work too insignificant. All of it is a stage set for you to glorify God.

It's easy to trust God when things are going our way and the world makes sense. But when suffering strikes—especially seemingly senseless suffering—we are filled with doubt and stunned by events spiraling beyond our control. In the midst of suffering, we often question the very foundation of our faith—our belief in the God who says he loves us. Since our trust and obedience rest on God's character, the questions that life's tragedies force us to face are difficult, even frightening. Who is God? Can he really be trusted? What are his purposes in the face of suffering? If he can stop suffering, why doesn't he? Joni Eareckson Tada, a woman who has lived in a wheelchair for more than thirty years, and Steve Estes, a pastor and one of Joni's closest friends, explore the answers. *When God Weeps* is not so much a book about suffering as it is about God. It tackles tough questions about heaven and hell, horrors and hardships, and why God allows suffering in this life. Through a panoramic overview of

what the Bible says about suffering, the authors make clear who God is, why he permits so much heartache and pain, and how it is we can trust him. With both a practical edge and heartfelt warmth, *When God Weeps* offers dependence on his love and mercy in spite of our doubts, fears, longings, and questions. It's a message much needed. Despair and discouragement are rampant. At the same time, fewer people are able to balance God's purposes and his mercies. Instead, attempting to avoid tragedy and suffering, many Christians confuse simple formulas for faith. But where does that leave the family who loses a son on a military mission? Or the young mother who isn't healed of cancer? *When God Weeps* is for people like these . . . and for thousands more who need more -- much more -- than answers.

"The Christian classic detailing the remarkable events surrounding the 1967 diving accident that left Joni Eareckson Tada paralyzed. This special 45th anniversary edition of *Joni* commemorates the worldwide impact of her life story to people living with disabilities and includes a new epilogue with updated photos and illustrations by Joni"--

As the journey continues, readers deal with topics such as contentment, patience, unanswered prayer, transformation through suffering, wrestling with God, and hoping in God.
