Approximately three-quarters of the park lies in Botswana and one-quarter in South Africa. Kgalagadi means "place of thirst." In December 2015, media repor

Kgalagadi Transfrontier Park - Wikipedia

Kgalagadi Transfrontier Park is a product of South Africa and Botswana working together. It was founded on 12 May 2000 when presidents Thabo Mbeki and Festus Mogae formed Southern Africa's first peace park. The Kalahari Gemsbok National Park of South Africa and Gemsbok National Park of Botswana formed this international reserve.

Kgalagadi Transfrontier Park - African Sky

Kgalagadi Transfrontier Park was proclaimed in 1931 mainly to protect migratory game, especially the gemsbok. Although the Botswana-South Africa border bisects the park, there is no boundary fence and the wild animals have complete freedom of movement in a well-balanced ecological area. Together with the adjacent Gemsbok National Park in Botswana, this park comprises an area of over 3.6 million hectares - one of the very few conservation areas of this magnitude left in the world.

Kgalagadi Transfrontier Park - South African National ...

Established in May 2000, Kgalagadi is the only Transfrontier Park that is open in the true sense of the word - here tourists can move freely across the international border within the boundaries of the park. This peace park has been in de facto existence since 1948 through a verbal agreement between South Africa and Botswana, and consisted of the Gemsbok National Park in Botswana (proclaimed in 1971), the Kalahari Gemsbok National Park in South Africa (proclaimed in 1931) and subsequently ...
