~~What Is Public Speaking? & Why Is It Important?~~

Public speaking (also called oratory or oration) is the process or act of performing a speech to a live audience. Public speaking is commonly understood as formal,

Get Free Public Speaking And

face-to-face, speaking of a single person to a group of listeners.

However, due to the evolution of public speaking, it is modernly viewed as any form of speaking (formally and informally) between an audience and the speaker.
