[PDF] Saint Francis Book by Nikos Kazantzakis Free ...

For the novel's author, Nikos Kazantzakis, Saint Francis was yet another role model as regards the conversion of matter into spirit or the reconciliation of words and deeds. Kazantzakis himself describes his hero in the following words: "Francis was one of the first, the first perfect flower to come up from the painfully ploughed winter of the Middle Ages.

European Literary Characters | Saint Francis by Nikos ...

The protean Greek author Nikos Kazantzakis retells the story of the most beloved of saints—Francis of Assisi, who permanently changed the way people think about following God. Drawing on the traditional stories of the saint's life, Kazantzakis infuses the tale with a fervent vision that is uniquely his own, highlighting the saint's heroic

Like *The Last Temptation of Christ*, *Saint Francis* is a fictionalized biography of a widely venerated Christian figure: Francis of Assisi, whose renunciation of his young man's life of leisure and founding of a religious order dedicated to living in poverty and sharing the Gospels with all living things profoundly influence the ways in which Christians the world over worship and give service to their god even today. Recounted in Nikos Kazantzakis's striking prose through the eyes of the saint's brother, Leo, the life of Saint Francis shines in these pages as a heroic example of inspirational leadership and boundless love for God and all His creatures.

The Francis of Assisi in these pages is a man of struggle and suffering, a man God-possessed."—Saturday Review "The writing . . . is direct and vigorous."—Commonweal "The novel is strong, deep, and moving. . . . a penetration into the mystery and wonder of life."—San Francisco Chronicle The protean Greek author Nikos Kazantzakis retells the story of the most beloved of saints—Francis of Assisi, who permanently changed the way people think about following God. Drawing on the traditional stories of the saint's life, Kazantzakis infuses the tale with a fervent vision that is uniquely his own, highlighting the saint's heroic single-mindedness in the face of extreme physical and spiritual suffering. He portrays the saint as a great lover and inspiring leader who embraced radical poverty in the face of many obstacles and temptations while achieving a way of life marked by epic generosity.

Dramatizes the life of the Grecian conqueror from his taming of Bucephalas, his spirited horse, as a teenager to his death, as an emperor, at thirty-two

Argues that while Nikos Kazantzakis may have occupied the so-called borderlands between belief and unbelief throughout much of his career, he nonetheless possessed, or was possessed by, an intense awareness of the sacred. These 11 essays analyze in detail Kazantzakis's lifelong struggle to give voice

This book explores the philosophical and theological thought of Nikos Kazantzakis. Kazantzakis is a well-known and highly influential Greek writer, having authored such works as *Zorba the Greek* and *The Last Temptation of Christ*, among many others. This volume focuses on the over-arching themes of Kazantzakis' work, namely the importance of the natural world, the nature of humanity, and the nature of God, by means of an analysis of his major novels and other writings. Along the way attention is given to the views of the important scholars who have interacted with Kazantzakis's works, including Peter Bien, Darren Middleton, and Daniel Dombrowski.

In this classic, Felix Timmermans reveals a deep understanding and penetrating interpretation of the man Francis and the ideals that enabled him to move and to shake the whole world. Filled with humor, pathos and a strange kind of beauty, it is a combination of artistry, poetry and simplicity that plumbs the soul of Saint Francis. Here is the whole Francis, the poet, the ascetic, the stigmatist, the servant of the poor and the lepers, the miracle worker. But above all, here is the spirit of St. Francis "told as lyrically and simply as the hymns and words of Francis himself in a book that communicates the joy of St. Francis."

Disarmingly personal and intensely philosophical, *Report to Greco* is a fictionalized account of Greek philosopher and writer Nikos Kazantzakis's own life, a sort of intellectual autobiography that leads readers through his wide-ranging observations on everything from the Hegelian dialectic to the nature of human existence, all framed as a report to the Spanish Renaissance painter El Greco. The assuredness of Kazantzakis's prose and the nimbleness of his thinking as he grapples with life's essential questions—who are we, and how should we be in the world?—will inspire awe and more than a little reflection from readers seeking to answer these questions for themselves.
