**Compatibility:** Requires Shadowrun, Twentieth Anniversary Edition; offers the character statistics, setting information, and plot points needed for gamemasters to build on the story line introduced in the Dawn of the Artifacts series. Continues the plot strands introduced in the Dawn of the Artifacts series of adventures. Explores

# Online Library Shadowrun Runners Black Book

the hidden powers of the artifacts gathered in the previous adventures and shows the effects they are having in the Sixth World, as well as revealing how they have affected past history. Provides a flexible plot structure that allows players to follow the parts of the campaign that are most interesting to them; gamemasters may also

# Online Library Shadowrun Runners Black Book

explore locations in the Sixth World that they find compelling for a campaign setting. Advances the overall Sixth World plot as the world's powers continue to vie with each other for dominance. Introduces a new form of campaign book that provides the concrete information gamemasters need to run a game while

# Online Library Shadowrun Runners Black Book

also providing flexibility to design the campaign in a way that suits them.

The diplomats have failed. The tensions have only grown worse. Each side has pushed the other too far, so there's nothing

# Online Library Shadowrun Runners Black Book

left to do but fight. At the border of Aztlan and Amazonia, war has broken out. The streets of Bogot are being pummeled, mercenaries are being hired and killed in approximately equal numbers, and blood is being spilled in dark rooms to give strength to mages on the battlefield. Most importantly, runners are being hired by the

# Online Library Shadowrun Runners Black Book

score. War! puts Shadowrun players into the world of open combat. From sabotage missions behind enemy lines to intelligence operations to small-squad mercenary tactics, War! provides the background information, gear, and rules players need to plunge into the chaos of battle.
