digital environment designed for the way today's students read, think, and learn. Discover more about Revel. The 8th edition of this trusted, market leading text continues to place social psychology in an international, contemporary context while exploring cutting edge research and bringing classic theories to life for students in Australia and New Zealand. Social Psychology retains the structure and approach of previous editions, and is framed by the same scientific and educational philosophy. With an improved narrative, this edition has been significantly rewritten for greater accessibility and contains updated real-world examples, figures, boxes and photos.

This comprehensive introduction to social psychology explores self, attitudes, socialization, communication, interpersonal attraction and relationships, and personality and social structure.

The 7th edition of this best-selling social psychology text by Graham Vaughan and Michael Hogg, Social Psychology, retains the structure and approach of the previous edition but has been revised to reflect the changes in the field, with the material thoroughly updated throughout. Social Psychology 7e continues to capture the scope and detail of contemporary social psychology as an international scientific enterprise and at the same time deals with the subject in a way that is relevant to university teaching and social psychology research in Australia and New Zealand. Social Psychology 7e is accompanied by MyPsychLab, an interactive online study resource to consolidate and further students' understanding. Together, the book and online resources make this an ideal resource for those studying the subject for the first time.

This book, written by distinguished authors, presents a detailed, rigorous and scientific approach to social psychology aimed at students and faculty alike.

Kassin/Fein/Markus' SOCIAL PSYCHOLOGY, 11th Edition, brings chapter concepts to life through a unique emphasis on current events in sports, music, entertainment, technology, social media, business, world politics and more. Combining scholarship with real-world illustrations, it helps you understand the field of social psychology through engaging connections to everyday life. Integrating both classic and emerging research, the text delivers comprehensive coverage of social cognition and applications to law, business, and health and well-being. In addition, author Hazel Rose Markus, a respected researcher in the study of cultural psychology, integrates culture and diversity topics into every chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Readable research. This distinctive, theory-driven text uses "The Self" as a theme to give students a meaningful context for exploring the key concepts of social psychology. "Applications" sections have been incorporated into most chapters, and "Featured Study" sections at the end of every chapter summarize the purpose, method, and results of recently published scientific articles. Retaining the emphasis on methodology, the text also continues the tradition of strong gender coverage, while expanding the coverage of social cognition and social neuroscience.
