Love has no rules. It's been a year since Eden Munro last saw Tyler Bruce: her stepbrother...and secret love. Although they swore to ignore their feelings and put their family first, Eden can't help but feel excited when Tyler invites her to join him in New York City for the summer. But it's not like anything is going to happen. Eden is happy with her boyfriend Dean, and she knows gorgeous, green-eyed Tyler must have moved on as well. But as they spend the long, hot summer in the city that never sleeps, it becomes obvious that those old feelings are still there...simmering beneath the surface. Will Tyler and Eden be able to resist temptation? Did I Mention I Need You? is book two in Wattpad sensation Estelle Maskame's DIMILY trilogy: three unforgettable summers of secrets, heartbreak and forbidden romance. From the bestselling Bridget Jones's Diary that started the trend to the television sensation Sex and the City that captured it on screen, "chick lit" has become a major pop culture phenomenon. Banking on female audiences' identification with single, urban characters who struggle with the same life challenges, publishers have earned millions and even created separate imprints dedicated to the genre. Not surprisingly, some highbrow critics have dismissed chick lit as trashy fiction, but fans have argued that it is as empowering as it is entertaining. This is the first volume of its kind to examine the chick lit phenomenon from a variety of angles, accounting for both its popularity and the intense reactions-positive and negative-it has provoked. The contributors explore the

characteristics that cause readers to attach the moniker "chick" to a particular book and what, if anything, distinguishes the category of chick lit from the works of Jane Austen on one end and Harlequin romance novels on the other. They critique the genre from a range of critical perspectives, considering its conflicted relationship with feminism and postfeminism, heterosexual romance, body image, and consumerism. The fourteen original essays gathered here also explore such trends and subgenres as "Sistah Lit," "Mommy Lit," and "Chick Lit Jr.," as well as regional variations. As the first book to consider the genre seriously, *Chick Lit* offers real insight into a new generation of women's fiction.

attention from the opposite sex. On this campus, I'm worshiped. While seven hundred miles away, back in my hometown, I'm still trailer park trash, child of the town tramp, and older sibling to three kids who are counting on me to keep my shit together so I can take them away from the same crappy life I grew up in. These two opposing sides of myself never mix until one person gets a glimpse of the true me. I never expected to connect with anyone like this or want more beyond one night. This may be the real deal. Problem is Dr. Kavanagh's my literature professor. If I start anything with a teacher and we're caught together, I might as well kiss my entire future goodbye, as well as my family's and especially Dr. Kavanagh's. Except sometimes love is worth risking everything. Or at least, it damn well better be, because I can only resist so much.

Traces the rise and fall of the Mexican singer and movie actress, how her talent school was a front for a sex-slave operation, the paternity of the child she conceived in prison, and other details of her career and her legal troubles.

Geschwindner's 2nd edition of Unified Design of Steel Structures provides an understanding that structural analysis and design are two integrated processes as well as the necessary skills and knowledge in investigating, designing, and detailing steel structures utilizing the latest design methods according to the AISC Code. The goal is to prepare readers to work in design offices as designers and in the field as inspectors. This new edition is compatible with the 2011 AISC code as well as marginal references to the AISC manual for design examples and illustrations, which was seen as a real
