Teaching Young Language Learners by Annamaria Pinter

This book, *Teaching Young Language Learners*, immediately caught my attention as I currently teach pre-school to elementary age beginner level children in Japan. But upon reading the introduction, the author, Annamaria Pinter describes that she intends seasoned teachers with an interest in teaching language to children and teacher trainers to get the most out of her book.

Teaching Young Language Learners | Professional ...

Dr Annamaria Pinter. My research interests include second/ foreign language acquisition and learning for children of all ages. I am interested in language learning processes in both formal and informal contexts, task-based learning and developing language learning materials for children. I am also interested in inclusive, participatory research with children which includes working with children as active co-researchers.
