has a unique place in the annals of history. Controversy surrounds his name. Some consider him to be one of the greatest revolutionaries in the freedom struggle of India while others think of him to be a communalist. However, there is no doubt that he was a freedom fighter, who not only fought for his country but also evoked feelings of patriotism in fellow citizens through his writings. His biography is an eye-opener for it depicts the trials and tribulations of a person, who was sentenced to 50 years of hard imprisonment in the Cellular Jail of Andaman and Nicobar Islands, also called the ÔKala PaniÕ. From his prison cell, he sent his poems to the mainland, memorized by the prisoners who were released. An inspiring biography of a true nationalist.

there a pogrom against a particular community after Gandhi's assassination? Decades after his death, Vinayak Damodar Savarkar continues to uniquely influence India's political scenario. An optimistic advocate of Hindu-Muslim unity in his treatise on the 1857 War of Independence, what was it that transformed him into a proponent of 'Hindutva'? A former president of the All-India Hindu Mahasabha, Savarkar was a severe critic of the Congress's appeasement politics. After Gandhi's murder, Savarkar was charged as a co-conspirator in the assassination. While he was acquitted by the court, Savarkar is still alleged to have played a role in Gandhi's assassination, a topic that is often discussed and debated. In this concluding volume of the Savarkar series, exploring a vast range of original archival documents from across India and outside it, in English and several Indian languages, historian Vikram Sampath

brings to light the life and works of Vinayak Damodar Savarkar, one of the most contentious political thinkers and leaders of the twentieth century.

As the intellectual fountainhead of the ideology of Hindutva, which is in political ascendancy in India today, Vinayak Damodar Savarkar is undoubtedly one of the most contentious political thinkers and leaders of the twentieth century. Accounts of his eventful and stormy life have oscillated from eulogizing hagiographies to disparaging demonization. The truth, as always, lies somewhere in between and has unfortunately never been brought to light. Savarkar and his ideology stood as one of the strongest and most virulent opponents of Gandhi, his pacifist philosophy and the Indian National Congress. An alleged atheist

and a staunch rationalist who opposed orthodox Hindu beliefs, encouraged inter-caste marriage and dining, and dismissed cow worship as mere superstition, Savarkar was, arguably, the most vocal political voice for the Hindu community through the entire course of India's freedom struggle. From the heady days of revolution and generating international support for the cause of India's freedom as a law student in London, Savarkar found himself arrested, unfairly tried for sedition, transported and incarcerated at the Cellular Jail, in the Andamans, for over a decade, where he underwent unimaginable torture. From being an optimistic advocate of Hindu-Muslim unity in his treatise on the 1857 War of Independence, what was it that transformed him in the Cellular Jail to a proponent of 'Hindutva', which viewed Muslims with suspicion? Great leaders of the past century dominated Indian political scene for a decade or two. But Savarkar's name shines brightly from 1900 to 1966. Ganghiji said, 'No independence without Hindu-Muslim unity.' But Pakistan was created. When the late Prime Minister Nehru chided the Hindu nationalists for advocating Hindu Raj, Savarkar said, 'The choice, therefore, is not between two sets of

He knew Savarkar personally and wrote his biography in Marathi. The English version 'Veer Savarkar, Father of Hindu Nationalism' has been done now. Savarkar's biography enables the reader to understand the politics of the last century.

described Savarkar as the spirit of Shivaji and the late Srinivas Sastri said of him that"" he was a great and fearless patriot and volumes could be written about his yeoman services in the cause of Indian Freedom"". This is, however, too small a volume to describe that spirit and those services adequately. Savarkar's life has already appeared in almost all Indian languages, and in his twenties it has appeared in almost all European languages. But excepting the great Marathi bio-graphy by S. L. Karandikar, who wrote it about seven years ago, no book has dealt exhaustively with the various facets of his life. Hence this is a humble attempt to give in detail the myriad sides of Savarkar's life in its proper historic perspective. This book provides a fuller survey of Savarkar's revolutionary, literary, political and social activities and movements. It also deals with his personal life, and covers his life upto the present moment. I have

made a faithful attempt to present a true and correct picture of the various events and incidents that occurred in the life of Savarkar, and also the trends of thoughts and opinions entertained in those times. Most of them do not necessarily reflect my personal views. But they are narrated to record matters of mere history. To quote Sir Edmund Gosse, I have attempted ' to give a faithful portrait of a soul in its adventures through life'. Savarkar's life is romantic, epic and volcanic and so it is full of flashes and flames. Bharat has just shed her revolutionary shell, and entered an evolutionary phase. And a revolutionary realist as he is, Savarkar now in Free India naturally insists on the adoption of peaceful, constitutional and democratic means by the people for attaining their objectives. This was only a logical corollary to Savarkar's ideal as proclaimed in his historic work on ' 1857 '. My earnest appeal, therefore, to all lovers
