Haunting Tales was a great collection of stories. Every story was strong and I enjoyed all of them. I found a few of the stories really stood out as something a bit special. The title story, The Mistletoe Bride was very sad and I loved the fact it was narrated by a ghost.

This delightfully daring collection of holiday Regency novelettes, follows the lives and loves of eight individuals, from a spirited lady who sets out to save her rakish best friend from a unsuitable engagement, to a bold spy who finally gets his chance with the woman he has always loved. Original.

Will the magic of Christmas bring these two newlyweds closer together, or will the ghosts of the past lead them into a destructive discovery from which not even a Dickens's Christmas can save them? Mistletoe is beautiful and dangerous, much like the woman from Lord Frederick's Percy's past, so when he turns over a new leaf and arranges to marry for his estate, instead of his heart, he never expects the wrong bride to be the right choice. Gracelynn Ferguson never expected to take her elder sister's place as a Christmas bride, but when she's thrust into the choice, she will trust in her faithful novels and overactive imagination to help her not only win Frederick's heart but also to solve the murder mystery of Havensbrook Hall before the ghosts from Frederick's past ruin her fairytale future.
