features include - (1) Field Testing the Communication of Divine Message: The unique feature of this translation is its field testing for over 3 1/2 years to improve the communication and understanding of the Divine Message. Translation passages were given to the New Muslim and Non-Muslim high school and college students for reading under the supervision of various Ulema (scholars). After reading, the person was asked to explain as to what he/she understood from the passage. If his/her understanding was the same as is in the Arabic Text of the Holy Qur'an then we concluded that we have been successful in conveying the Divine Message properly. If his/her understanding was different than what the Qur'anic verses were stating, we kept on rewording the translation until those verses were understood properly. It was tremendous

translation of the meanings of Qur'anic  
Arabic Text. (4) Outline of Pertinent  
Information: Before the start of each Srah,  
information relating to its Period of  
Revelation, Major Issues, Divine Laws  
and Guidance has been presented as an  
outline. Then a summary of the preceding  
events has been tabulated for the reader to

The Quran, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man's discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man

in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-life. The main themes of the Quran are enlightenment, closeness to God, peace and spirituality. The Quran uses several terms, tawassum, tadabbur, and tafakkur, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes.

Between these two covers you will find the answer to those questions which touch the very depths of your soul. Why am I here? Where am I heading? How does one achieve happiness? Can one really find

inner-peace? How can the “God” issue be resolved? Is blind faith and the curbing of logic the only road to spiritual nourishment? The answers given are plain and simple. All that is required to benefit is truthfulness with oneself, and unbiased approach, and a sincere quest for guidance. With that, immediately you will see why so many are naturally compelled to accept this message. We invite you to contemplate the matter for yourself...
